Intel and AMD Processor Builds

To play the most popular games in 4K resolution at 144fps+, a powerful processor (CPU) is needed in your Gaming PC. At PCBuilds we allow you to select from the latest Intel and AMD processors through our Order page. Choose from Intel i5, i7 & i9 processors or AMD Ryzen 5 & Ryzen 7 processors within your Gaming PC and launch into your favourite games with high clock speeds and sufficient CPU cores for the best gaming PC experience … It's All About Gaming
